

Ohio Valley Oil & Gas Association is an alliance of businesses whose mission is to overcome any and all challenges to support oil and gas production and distribution in the Eastern Ohio, Northern West Virginia and Western Pennsylvania region in three ways:

- Through the use of locally based businesses and employees.
- As a resource to match needs of the oil and gas producers and distributors with local providers.
- As a resource for new business entities intending to serve the oil and gas industry.

*An Invitation*

In recent years the discovery of advanced methods of extracting oil and natural gas has made our region a valuable asset in the quest for affordable energy, resulting in the need for an organization that would represent the interests of the businesses and organizations of the Ohio Valley and promote their relationships with the oil and gas industry. By becoming a member, you have the opportunity to participate in the future success of the oil and gas industry in the Ohio Valley.

OVOGA is focused on advancing local businesses and organizations as they try to service and supply the oil and gas industry through networking, educational and promotional efforts. Please complete the application and return today with your check to begin making a difference in our Ohio Valley. Annual membership for Corporate and Individuals is \$375.00.
